

# HIGHLY POLISHED TO NOVA

## SYSTEM TYPE

## HIGHLY POLISHED PANEL

The vandal resistant entry panel range is manufactured in the UK to the highest standards. Any number of buttons can be used in either video or audio panel styles with coded keypads, proximity window or name windows if required. Surface or flush mounted, they are the last word in hard wearing, durable entry panel design. As well as a standard range, custom sizes can also be manufactured to suit any application.

- Polished stainless steel construction
- IP54 rated buttons
- Makralon windows
- Steel grilles

All complete kit panels can be either surface or flush mounted

## NOVA MONITOR

With its choice of 3 module colours, grey, white or silver and a variety of surround plate colours, the award winning Nova will blend in easily into virtually any environment. Recessed and hands free.

- Recessed
- Small and compact
- 3 module colours

## COMPLETE KIT INCLUDES

- Highly polished entry panel
- Optional surface housing
- Video/audio module
- PSU/controller
- Video distributors (if required)
- Monitors
- Relay

## WINDOW PANEL
